Criteria

Q: How many criteria are there on the congregation application?

A: There are 48 criteria total in eight categories.

Q: Are the criteria different from last year?

A: The criteria is the same as 2016 with minor adjustments for clarification.

Q: Where did these criteria come from?

A: The Certified Healthy Congregation criteria are based on different components of wellness that addresses tobacco use, physical activity, nutrition, behavioral health and safety. These components are consistent with the state of Oklahoma's Health Improvement Plan 2020, which can be viewed at <http://ohip2020.com>. This plan outlines what our state needs to accomplish in order to improve the

health of every Oklahoman. Each criterion within the application is based on best and promising practices.

Q: I need help understanding a criterion. What should I do?

A: First, check out the Resource Guide. If you still need assistance, contact the Center for Chronic Disease Prevention and Health Promotion at (405) 271-3619.

Q: The criteria seem difficult. Who can I talk to about implementing these components?

A: You may contact the following for assistance:

Health Educators at county health departments:

Center for Chronic Disease Prevention and Health Promotion at (405) 271-3619

Scoring

Q: How will my application be scored?

A: We strive to be as transparent as possible with scoring. We use specific percentages for scoring, and applicants are scored based on the percentage of criteria checked overall. There are other specific requirements for each recognition level (basic, merit, or excellence), please visit www.certifiedhealthyok.com/congregation for more detailed information on scoring.

Q: I did receive certification last year. How can I improve my score this year?

A: We are here to provide technical assistance to your congregation. We want all congregations to eventually reach the excellence level, and we are happy to provide technical assistance. Please call the Center for Chronic Disease Prevention and Health Promotion at (405) 271-3619. Your local county health department is also a great resource for information on criteria implementation.
